

WE'RE SORRY ABOUT THE BUILDING WORKS

There are two entrances to our building

19 Eastbourne Terrace, just at the Bishops Bridge Road corner, there's lots of hoardings, but our door is at the end (Crossrail have promised that the work won't take too long).

At the far end of Platform 1 just go up the staircase and the door is on your left. If you look down there's a blue line to take you all the way there.
